

# Is Your Business Missing This CRITICAL Ingredient?

It's the one thing all businesses absolutely **MUST** have to generate profits, stay competitive and keep their staff working effectively.

That secret ingredient is **MOTIVATION**.

It's not taught much in MBA programmes or Management Training Courses, because it's such an intangible thing to get to grips with and understand.

But one man who knows more about it than almost anyone is **XXXXX XXXXX**.

XXXXX has been studying the intricacies of Motivation and how to apply it in the workplace all his life. What he discovered, and now teaches, are a set of mind-tools guaranteed to ignite and invigorate the fire and passion in your workforce.

In fact, XXXXXX has been so successful in what he does; he's helped over 200 companies around the world (major blue-chip names like: Microsoft, AstraZeneca, Kimberly Clarke, Vodafone, AMP, The Prudential, Provident, Lombard, plus many others) to change the mind-sets of their staff and turn them into peak performers and high achievers.

Savvy companies like these understand the value XXXXXX's entertaining, engaging, but serious performance messages bring to their business.

He's so sought after; he's appeared as a regular guest on many prime-time TV and radio shows including Richard and Judy and Russell Brand.

He was even snapped up by ITV and Channel 4 to demonstrate his unique skills in three TV specials, one being the popular peak-time Channel 4 show "XXXXXXXX".

On this particular show for example, XXXXXX demonstrated another of his amazing skills; helping people overcome phobias and addictions. He helped 40 of the most extreme flying phobics in Britain overcome their fear once-and-for-all. His methods were such a success, many of the participants who would NEVER go on a
